Time for all of you to die !
Are you trying to get yourself killed ?

삐끔
삐끔
Jjang ... !
Do you really want to die ?!

Janimes
www.janimes.com

Those who don't want children, come here !
I will do the surgery for free of charge !
Still not running away ?! Do I have to finish all of you ?!

Han Seo Jang, you bastard ! I will do the same to you !
You appear to be very nervious, Jeong Hyeop Na.. She will come here soon enough.

Jamiwes
www.janimes.com

She doesn't even know where we hang out.
How could she come here ?
We better go help her...
It'd be game over by now.
Uh? over there ....

Those bastards, I reckon they will run away from women for a while even if they come to them naked.
She... looks about to explode.
There is a limit in patience.
There is a limit I can try to understand as a friend!
wait ...

Han Seo Jang, you !@#$!!
Han Seo, move away !

Chicken
Sure
Eat slowly
Here coke
아아..

Why don't you put down the rock and eat
Rock
Why did bring it here
Han Seo Jang ou !@#$
Ah
There is seasoned chicken also other than fried
like seasoned more than fried

Han Seo

It's a lost dog
Maybe should give him this bread think he smelled our food
He eats well cute Maybe should take him to my home
A dog ?!

www.janimes.com

A dog ! A dog !
Why did you have to
spell out the word ' Why '
It s a dog
That s why called
it a dog
There are other fine
words to describe it
Why did you have to
use the word ?!
Why ?

She's not just similar
Han Seo already knows
That is real Ha Ri

Stop ! Ha Ji Kang !
Stop !

What is it you want Just tell me
Get away from there now
This is why you are being used everytime
f it was Sir Ioo he'd smile and be as formal as he can and tell me to jump calmly and turn around
Get away from there Ha li wang will bring Sir Ioo right here

didn't say wanted
Sin Joo to be here
Why are you going
ahead ?
Then tell me what
you want
He is the only person
know you want
Stop !

You tried to run into a car
and then now trying to
jump from a roof
If you are doing this because
of me that's enough
I will disappear for you

www.jaimes.com

Ack -
What the hell ?!
I am soaking wet
What do you think you are doing ?!
Are you provoking us ?!

es am
Did you put your gut on a mortgage or what ?!
Iwah

don't like this
ignorant body
but having power
gives a good
feeling
By just sticking out
my fist a person
falls

lump on her
everyone

www.janimes.com

said enough
Let's go quickly
What
Why
Hey
No way would Ha Ii Kang of the doberman lose against them

www.janimes.com

Was it a show to lure me
Why did you come here when you knew it was an act
Stand up I will take you home
don't like to be lying on the ground like this either But it seems the impact of being beaten like this is greater than I thought I cannot stand up My strength left me

Don't exaggerate
It doesn't make sense
that the doberman would
sprawl after being
beaten by those
Is this body
that good ?
Pitiful
but the ground is
cool as if want
to sleep on here
like this
You have a wide back

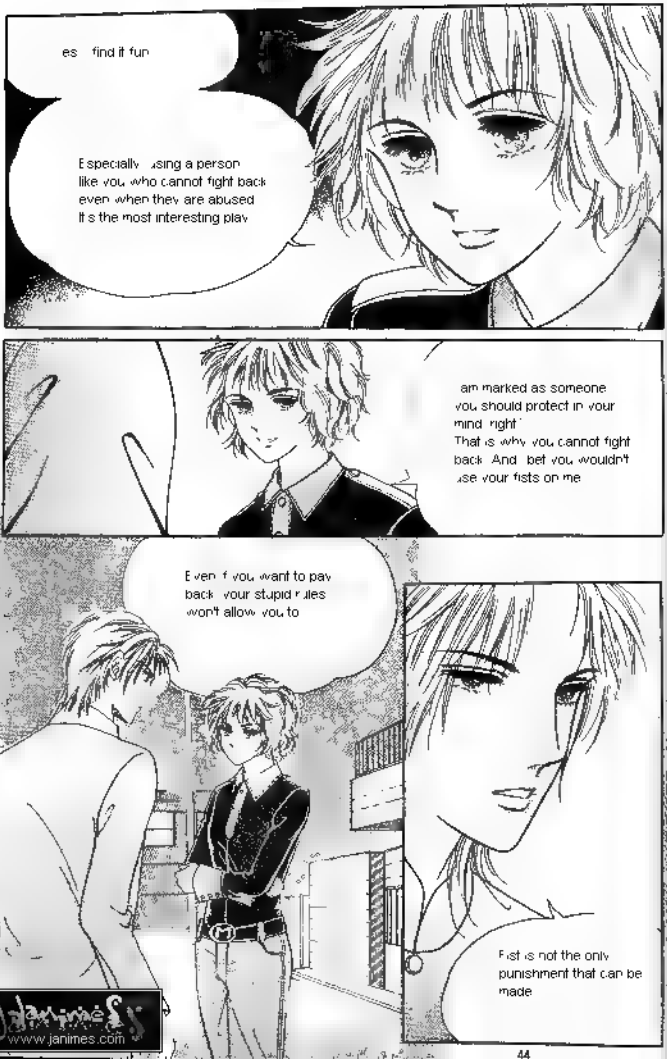
ou have very wide shoulders also Sin Joo did a lot of sports But his are not wide as yours
ou were carried by Sin Joo before
Get down this is the house right
Since when did you get to know Ha Ji
Huh Since elementary school used to live in this area so

Ou
talk yourself
as if it's another
person
So you had an
interest on this
body since then
Ha li ?!
A woman who's
so dense
What's wrong
don't think their
fists would have
done that much
damage

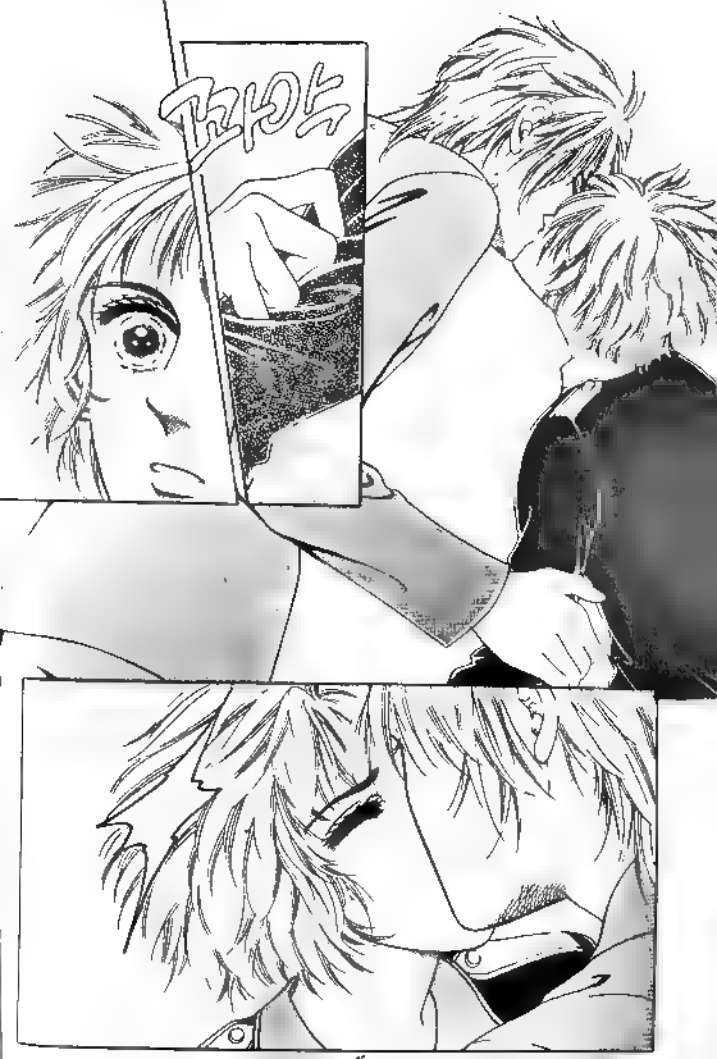
www.jaimes.com

It s your first time right ?
It s my first time also So don't feel resented
What are you
A practice before the real event

am going to
ask for it
from time to time
You
do you find it funny
to play with people ?



es find it fun
Especially using a person like you who cannot fight back even when they are abused It s the most interesting play
am marked as someone you should protect in your mind right
That is why you cannot fight back And bet you wouldn t use your fists on me
Even if you want to pay back your stupid rules won t allow you to
Fist is not the only punishment that can be made
www.janimes.com

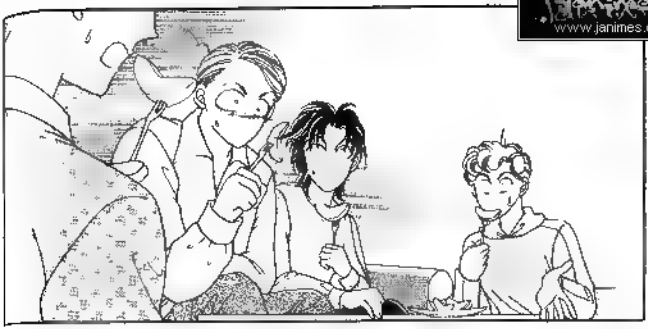


ナイト

It's different from
the kiss you did
right ' ours was
obviously from
someone
who have never done
it before
That was a real kiss

ぎゅっ

www.janimes.com



How was it
All stress is
gone after a
good fight
right
How many did you
fight against to ruin
your face like that
Wasn't it
those
cubed radish
kimchi that
ambushed
to scout
you right
Was it 10 or 1
No am telling
you that it's them mom
How dare you
to ignore your
food sponsor
Calm down
think she's
embarrassed
to show her
face like that
considering
her skill
Anyway
am glad
She's finally
back
to normal
Well
we were going to
send her to a
mental hospital
soon
if she kept going on
like before

That was a little unexpected
thought he was a virgin
No before that
why did he kiss me
on his own will
That was more than
unexpected

www.janimes.com

Even when have
Ha ll's body
Sin ioo is still
so far
앞까지
탁
탁
지이

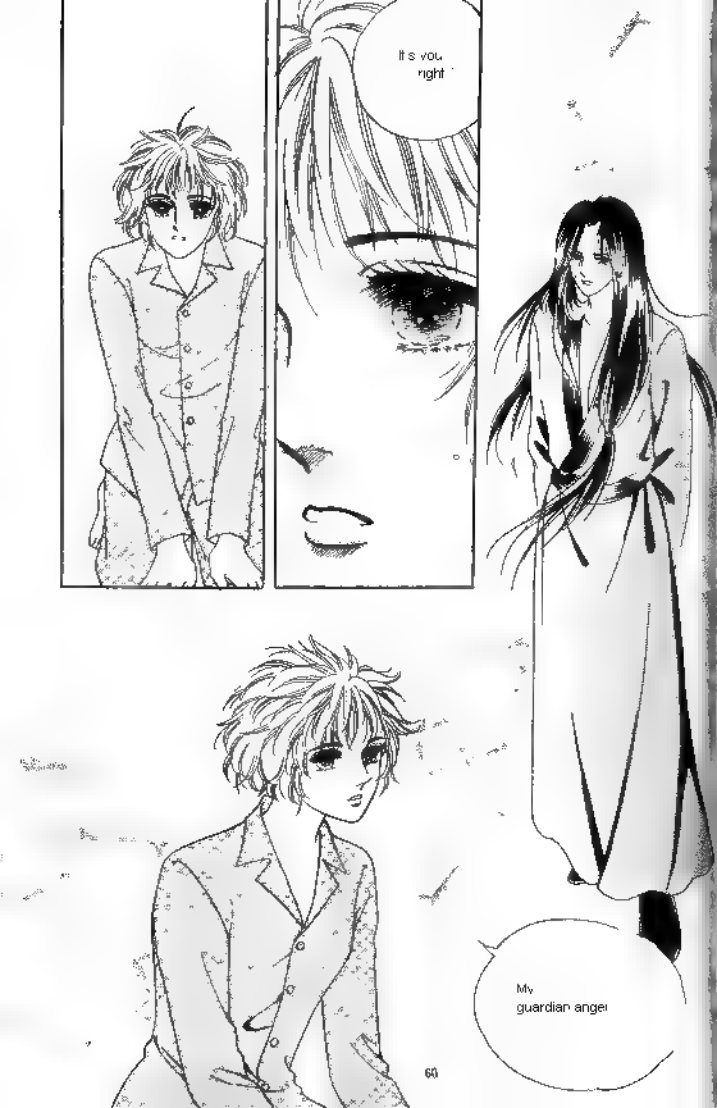
Ahah
Be quiet
What a monstrous shout that was
Don't ruin the family's play
Leave her be
She must be resented to have wounds like that Her pride is hurt bet
Ow damn my cards are no good
Shot

f that body
is mine
f become Ha li
f become Sin too s
the only destined
woman
Then Sin too will
look at me
f posses
that body

ネムロ!
My strong desire allowed me to enter this body
If my desire becomes weaker other wandering souls might push me out and enter

No
cannot leave
this body yet
Not yet
Not yet
He Ji s body is
my last chance

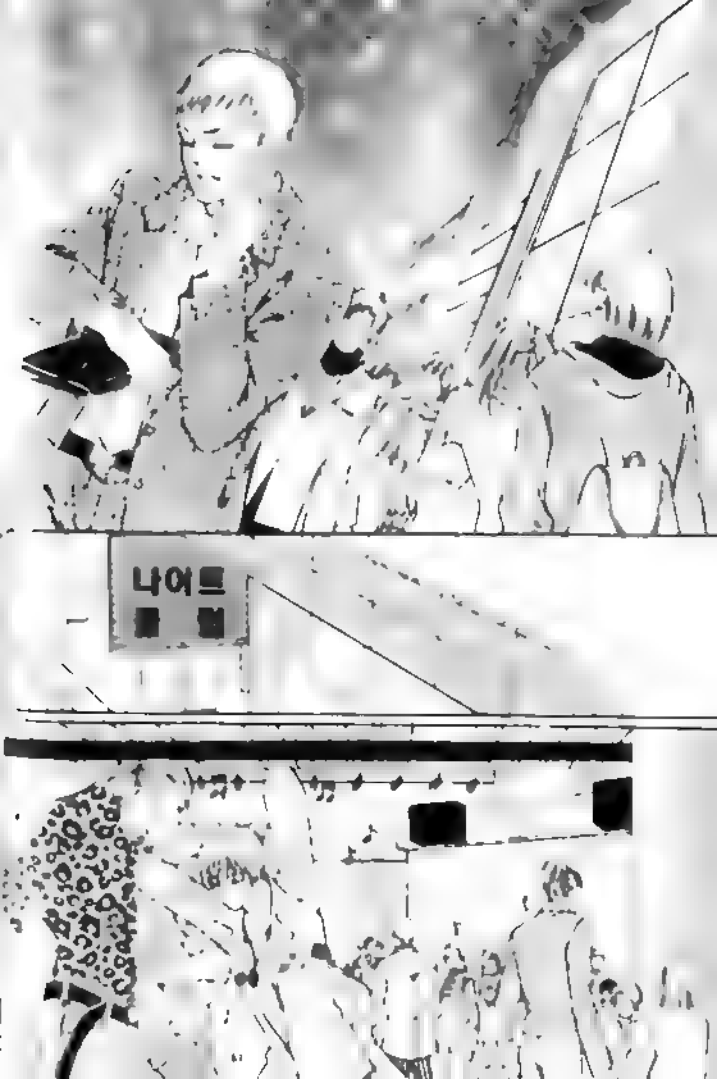
OF



It's you, right
My guardian angel

www.jasmes.com

ou are going to
help me right
Because
you are my
guardian angel
Because broke
a rule the result is
forcing me to break
another rule



나이트

Kuh !
That does me no good
It is already hard enough
to get you near a place
like this
Oh !
am
leaving
am going
am leaving
is the
room
prepared"
es
this way
Let me go you !@#! I
cannot tolerate
loud sounds !!
our voice
is louder

Ih
It s quiet in here
The manager
He is not here right now Do you want me to give him a call
Well you can say that
Jeong Hyeop thought your father runs few night clubs is this one of those
It s all right And you don t need to tell him that we were here
Enjoy your time

Drink this
ou can eat and
drink as much as
ou want tonight
ou'd probabl
the onl one
who drinks a
cup of beer
in one shot
straight
ou gave me it
with a steaw
In realit this does not
even make a sense
know
know that
But
The gir in front of
me is Ha li

What is your dream
With appearance like
yours you should be
aiming to become
a singer a performer
or such
Singer
Performer
How uncool
Conquering the world
perhaps
es
Of course
That s what a
dream should be
f you are planning
to run away
you better give up
and sit down

gotta pee
No way would
r un away from
loads of free food
Pee as much
as you want
Insincere dude always
smiling Well that s why his
nickname is smiling man
He is the one with
a black jacket right?
He looked so cool
Yeah
he is a
major example
of charisma
Did you see ?
Han Seo-oppa is
here tonight
That s new
He hasn t shown
up for a while
He doesn t show
any smiles But guess
that s what makes him
so mysterious

www.janimes.com

A girl you went out with between March and May
But why can't recognize her
You have a bad memory And to make it worse think she fixed her face So it's no wonder that you can't recognize her
only fixed my nose and mouth
Tell me ! Who is she ?!
The gang of Myeong Seong high school
The bitch who's called doberman or something ?!
Snap out of it Han Seo With a face like yours someone like me is suitable for you
Such a bitch who only has fists will defeat her with a pretty face of mine

www.janimes.com

But still bet my body shape is better than hers Those tiny breasts
Hmph!
will come back after insert more silicon
Oh prettier wins ism huh
Fix more That s mincing
Well she is quite pretty

Jdanimes
www.jdanimes.com

She may look good
But she doesn't have
power and speed
An expected
answer from you
What an indecent guy you are
It seems other people around
you are decent Why is that you
seem to be missing a gear or two
Those are not
enough
Are those all
Hey let's do it
Don't worry
More will come

www.janimes.com

Damn still no go huh?
Ah more side dishes are here
Manager Nam is here
Ah is that so ?
Han Seo will go talk to him for a while
Tell him not to interfere

It's been a week since I quit smoking
That has got to be kidding me, you are a hardcore smoker
I will show you a proof. Stick out your arms
Yeah, like that
What does this have to do with proof?

Huh
Huh
Huh
Huh ?

Bastard !
Be careful not to make the dishes fall

www.janimes.com

Mm

Let's stop it now I was only going to prove you that I did quit smoking
Shut up you bastard I only did it once with Sin Woo and you did it twice forcefully

www.janimes.com

And that resents you
Because it wasn't him
Let's go to a hospital
The wound is too big for me to handle
Bastard
Even if you are afraid of hospital you've got to go

Sir ?!
ou are hurt
Get your hands off me
ou are the jang of Seong Hak right
Me

I've taught you to obtain whatever you want by any means possible

I am not going to be a jjang anymore !
Why not ?!
!@#$
Ijang is not allowed to have a relationship with opposite sex so

www.janimes.com

England
tomorrow

bodyguards.
It was a mistake
Such a beautiful
child
such a precious
child
How could just leave
her out there alone
in this cruel world
think it was better when she
was wearing that stupid looking
glasses and the hairstyle
Sin loo was good at making
her do that
Mr Chairman
Ms Han is here
카악!
www.janimes.com

A scent of alcohol and smoke
My daughter how could it be How could you be fallen like this
What happened ?! It must be something dreadly serious to make you do all this stuff
only drank few beers Don't overreact
Quit following my ass like a pervert and take care of the new stepmother Be thankful that she even lives with you
Aram Do you not like your fathe r
don't even remember liking you

Darling !
Can you stop it already ?
You already smoked two cases

You were counting ?
Because of you I am being wrongly accursed of smoking
Leave me alone After being defeated by you, this is the only pleasure I have left
Well I feel sorry for you

www.janimes.com

www.janimes.com

Did the dream have a meaning
Is it because I fought with Han Seo last night
Something is bothering me
Strange I think I am missing something something important or not
I guess being together for sometime grew some affection You actually miss me
Ah
Right ! I forgot to eat breakfast !

www.janimes.com

Ah!
My bodyguards ?!
Now I can stop worrying and go to England if it wasn't you who insisted a normal life at high school I would have hired bodyguards on you a long time ago
I am counting on you
Do not worry, Mr. Chairman

Wait,
you pervert !
This is unfair !
Why do I have
to hang around
with those ?!
Chasing a car is
not a safe thing
to do
Go away
don't need
your
protection
We are
professionals
Unless our
employer
states so
we will not quit
From now on
you will need
a permission
even when you
go out for a
short distance

www.janimes.com

www.jaimes.com

Why do I have to carry these two when I should be in the class
Ah Aram you are late
This is new you were always on time sharply
f you saved just a little bit of your strength you wouldn't be hungry always
am hungry

www.jaimes.com

miss my original mom
She was violent but she gave me enough dough to buy food This new stepmother is so keen about money
am not going to tell her
am zipping my mouth
Her stomach has expanded twice of its original size
Excuse me but who are you
We are on a mission
Do not mind us and resume where you were going Mind your own business sir
The students will be uncomfortable seeing people with sunglasses inside of a building Would you at least please take off your sunglasses
하하

We are wearing this to look cool
Do you have a problem with it
No
Class rep there will be a conference in the student council You are supposed to go there after school

Cheapo ou really hurt me in here
s it so bad for me to eat some of the food

Try to come up with an answer
With a brain like yours
you will always come up
with wrong answers
So are you
saving you
are not going
to hang around
Sin Joo again
am going to be careful
It seems the type of
woman he likes is those
quiet ones anyway
am going to be
quiet in front of
Sin Joo
Hey try to
do something
you actually
can
am going to do it
don't want to be
hated by him
anymore

www.janimes.com

Of course
We are pro
ou ain't got the stamina for it
For bodyguards techniques are more important
Health and stamina are not everything
That is how a pro should be
Aram ~

We will let you pass after a bodysearch
Aram what are these people that are interfering the way to you ?
Should we let him pass ? He looks like a potential criminal
We should not The chairman told us not to let males approach her especially
Those are about to give me stress
Ma am Please do not wander around alone
ou should not let the guard down even in the school

Ma am
Do not run
It s
dangerous
Quit
bothering
me !
Stop !
ou are going
to hurt yourself
with that speed

Ma'am !?
!

Ah
There is

www.janimes.com

아아

A
Aram

If you want to get your hands on those two old men, you will have to go through me !
Ma'am ~
Were you scared this much ?

es They began to gang
up on us even before
we could pose defensive
stance
Oof of...
couldn't even
pose karate defense

to pulp
Body

Get out of here
Don't wander around in
the school ou don't want
to come across those
guys again So wait outside

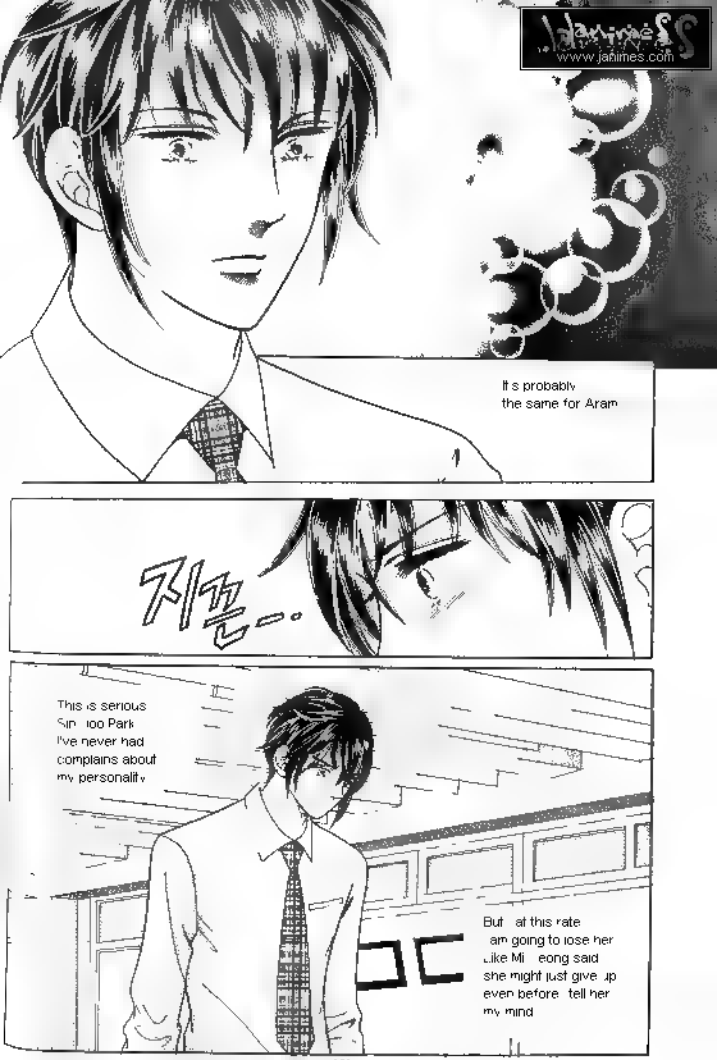
But it will
be scar
for s to
wait alone
I will keep my eyes on
you from the window !
So, get out !
ou must be
looking at
something
interesting
et me see too
No was just
looking at the sk

You kept looking out with a big smile on your face
It must have been Aram
N no
You haven't proposed to her yet have you
I don't know what you are talking about
Come to think of it your future girlfriend will face a lot of hardships
She won't probably hear any romantic words from you at all And she will never be treated with your charming manner like you show to others
Well I guess that was why Aram gave up because I couldn't take your coldness

www.janimes.com



She is going to leave me

She is going to turn away from me
Aram is

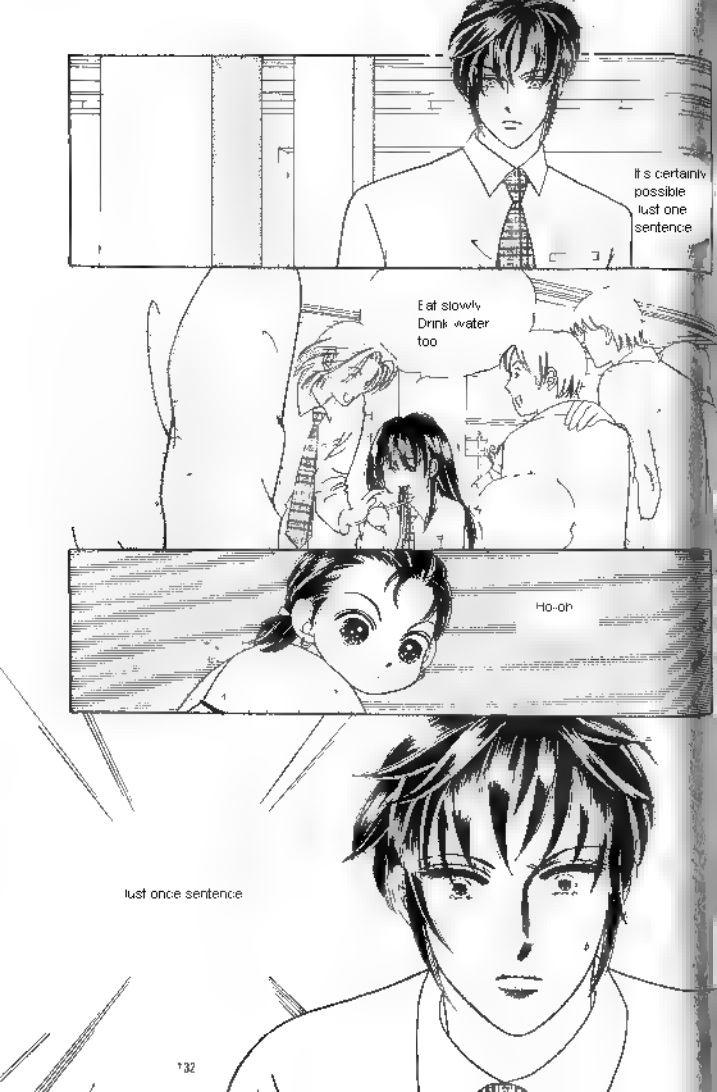
Let's hold on to it
All I have is 1000 won that
picked up from ground
It's my precious income
ou call that
"picked up" ?!
Wow
whoever picks
up fallen money
is the rightful owner
1000
Ja-jjang noodle
is on sale too
It looks delicious
Gypsy spirit
can see how
you lived

www.janimes.com

What has gotten into those guys
Eat mine
mine first
Slow down A lot of sause around your mouth
She s still pretty with the sause on her face

www.janimes.com

can do this
The sause around your mouth look like black jades
Dude your way of poetic description is old-fashioned
Saying what really is in my mind just once can do this if it's only once
Do you want noodle in soap
Sure Sure
now see that Aram favors food made of powders



It's certainly possible just one sentence
Eat slowly. Drink water too
Ho-oh
Just once sentence

ou are dirty
knew it

f you call yourself a woman at least know the basic etiquette
ou are taking away my appetite
웩~
That was cold didn't know Sin oo Park was capable of saving something harsh like that
He was always polite and proper

Am
dirty
No No way
our saliva is holy
water and the sause
around your mouse
is black jades
Of course
our burp is
a new age music
and your smell
is top class
perfume
!
am
dirty
ou !@#!!
E ven can see that am
dirty Why are you lying ?!

www.janimes.com

should have just thought
those followers around her
a group of fly and ignored
could have done if it wasn't
the guy next to her was having
his hand on her shoulder

Hey
bringer of
death
Come to think of it
whenever Sin Ioo was
pissed at me was eating
Am that ugly when am
eating
ugly enough to
make him so angry
that his veins become
bold on his forehead
Well Sin Ioo Park s
way of showing his
jealousy is unique
have to say
Sin Ioo does not
like to see me eating
In order to look
good to him must
not eat
Must
not eat
No can't And won't
It s like a death sentence
to me f don't eat

Think if you can go on without seeing him for a month erasing him from your mind won't be that hard
Don't see Sin Joo for a month don't like it
But not eat for a month
Sin Joo guess have to give up
guess food is your top priority
should give up

am disliked much already
It's better to just give up
I am going to give up...
She won't approach me
again, I am sure.
should give up
before am disliked
even more than now

Aram ~
How come does he always appear when he is going to be a sandbag
don't see the two weird people am glad
There you are my friend
Look at him he learned from the repeating pattern
Can you lend me your bamboo sword

Jaminés
www.jaimes.com

하아

guess the rumor wasn't false after all
if you get hit by that swing
heard that every member of the boxing club lost to her wasn't false info after all

Anyone want to fight me ?!
Let's go practice !

Why are you guys avoiding me even when you are wearing protectors ?!
would do the same if I was a human
143

should

And will keep being
disliked

Sin oo Park put my saliva on you f you are going to cheat on me you better gamble your life for it
So she makes it pretty clear that his man is going to be destined to only one woman

Don't make me laugh
Have you gone insane Aram Han ?!
Don't you know how much he hates you ?!

The one Sin Woo has his mind on is me

Whether he hates me or not that is not my interest put my saliva on him and he is mine

That s not even funny Doesn't she have a pride
Say something Sin Joo
told you not to touch something put my saliva on
Of course es ou should not hold back when some bitch touches yours Good going Aram Han
our life s pretty miserable too eh
Sin Joo Run She s insane
Be graceful that you were born as a female Otherwise would have beaten crap out of you

There is no point
in glaring at me
f you are not going to
listen to me am going to
have to use force to
make you mine
Of course
By any means
necessary
Have you
gone insane
cannot defeat you right now
But you will see
A year of training will be
enough to be able to defeat you

www.janimes.com
